NEWSLETTER

Free Food, Fall Prevention, and a Chance to Win \$100!

Let's see how skilled we are with resident safety! Starting the month of March, we want our staff to pay even more attention to Fall Prevention.

Here at MediLodge, we are all about caring for our residents and making sure they are safe and comfortable. Their safety is one of the most important aspects of their care. Let's make sure we are preventing falls from happening!

Starting this month, we will provide pizza for staff each month that we have less than 10 Falls. Once we get into the double digits, the challenge is forfeited until the following month. Stay safe!

Want to Know How You Can Win a \$100 Gift Card?

We will also be doing a Call-In Incentive for the month of March. Anyone who does not have a call-in during the month of March will be put into a drawing for a \$100 gift card!

Who Doesn't Love Free Stuff?

March 1st is Employee Appreciation day! To celebrate and to say "Thank You", FREE St. Patrick's day shirts will be given to each staff member who signed up for one in February! Tanya Abell (Administrator) and Jennifer Miller (DON) will be handing out shirts starting March 1st. Come find them if you need a shirt!

March is also National Social Worker Month! Shout out to Chris Lowell for all that he does for our Residents!

We would also like to recognize our employee birthdays and loyalty to MediLodge ☺

Happy Birthday!
